

# Platinum DS40 "Drop Slide"

Designed with a hammering in mind from our nasty outback, so called "roads", the "Drop Slide" is manufactured from steel with a powder coated flat black finish. The bearing sliders, gas struts, locks and roller bearings have been thoroughly proven to withstand whatever abuse is thrown their way.

The "Drop Slide" is available in 2 sizes, DS40 to suit all portable fridges up to 60ltr and the DS60 to suit all portable fridges 60ltr and above.

They are supplied with a kit to locate the fridges and tool boxes on the tray.

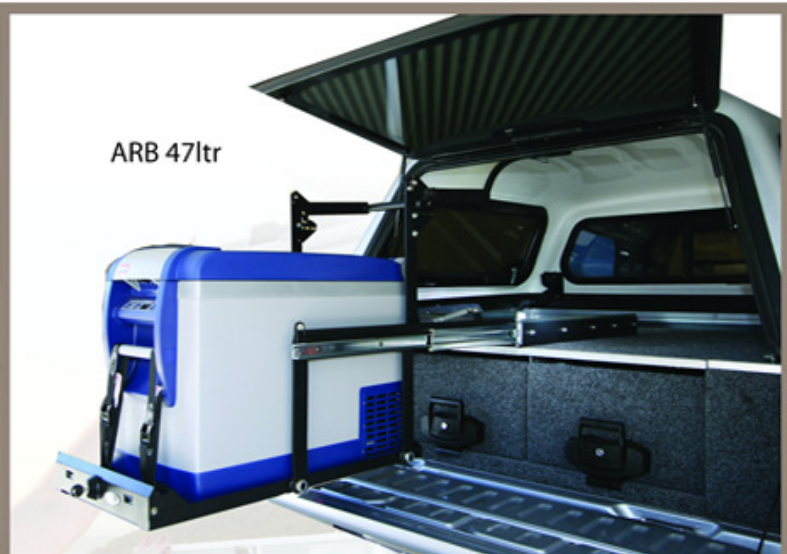

Optional tie down straps are recommended and are available as an accessory (Model Number PLFTD25).

Engel up to 40ltr

Waeco 40-60ltr

ARB 47ltr
