VACANCY

4x4, Outdoor & Expedition Equipment – Sales and Fitting

BOAB is a small company with a large presence.

We are UK Importers & Distributors for 4x4, Outdoor & Expedition Equipment, Importing container loads and part container loads of predominantly Australian equipment for Wholesale & Retail sales within the UK, EU and other countries.

The position would suit someone with a liking for, and interest in, Vehicle Based Expeditions, Camping and the Outdoor Lifestyle in General.

Training on our Specific Products will be given, however a general knowledge of Camping/Outdoor Equipment and Vehicle Based Expeditions, including the vehicles themselves would be required. Our UK customers are predominantly Land Rover based, although other 4x4's feature regularly in our preparation and sales.

A general knowledge of 4x4's would be prerequisite, however information for sales and/or fitting of our specific products will be given.

Duties will include, supplying information and quotations to customers for the sale and/or fitting of specialised equipment to/for 4x4 and other vehicles. Freight/Delivery Quotes UK & ROW
Packing and distribution of Wholesale, Retail & Web Shop Sales.

Reasonable computer skills would be needed.

Knowledge of the UK VAT System as well Import/Export Duty & VAT Regulations would be a great advantage to the candidate.

As would some previous working background in computer programs such as SAGE Invoicing, Actinic Web Shop & Dream Weaver Web Sites, as there will be an opportunity to assist in the maintenance and continual updating of a comprehensive web site and two on line web shops.

You would also be required to attend up to three or four 4x4/Camping/Outdoor shows per year which would involve working full weekends away.

Working hours would be from 8:30am until approximately 5:00pm – Tuesday to Saturday or Monday to Friday, and could be easily adapted to suit the right person.

Salary negotiable - commensurate with experience
