SINGLE **BASKET**

- This Basket has been specifically designed to transport your **JET TENT**. However this Spacious Steel Mesh Basket will easily carry any other luggage items the rest of the year, such as surfboards, skis, wind surfers, golf clubs, fishing gear and much, more!
- Constructed from 25mm Steel Tube and 6mm Steel Mesh, the basket is firstly zinc plated then black powder coated for a tough, rugged, long lasting finish.
- The basket will fit a variety of different vehicle cross bars when used with the correct fitting kit. So whether you're getting away for the weekend or planning a longer travelling holiday, this Steel Mesh Basket is the perfect solution to carry any **JET TENT** or other leisure gear.
